

VETERINARY OPHTHALMOLOGIST WANTED. JOIN OUR QUEENSLAND TEAM!

Are you a skilled and compassionate Veterinary Ophthalmologist Specialist or Registrar looking to make a meaningful difference in the lives of pets and their owners?

We have the perfect opportunity for you!

Brisbane Veterinary Specialist Centre (BVSC, www.bvsc.com.au) is a busy referral-based multi-disciplinary hospital in the sunny capital of Queensland, Australia. We have a successful Ophthalmology Department that sees a large caseload of diverse medical and surgical patients. BVSC prides themselves on having strong relationships with clients and referring vets alike, making the service renowned in region.

Our Ophthalmology Department currently has two boarded Specialists, one resident and has significant room to grow due to increasing demand within the burgeoning Queensland market.

Our clinic is fully equipped with cutting-edge technology, providing you with all the necessary tools to diagnose and treat a wide range of ophthalmic conditions, from dogs and cats to exotic animals.

At BVSC, we foster a supportive and collaborative work culture where your expertise and ideas are valued. You'll work alongside a team of passionate veterinarians and support staff who share your commitment to animal welfare.

We offer competitive compensation packages, flexible remuneration opportunities, generous employee benefits and flexible working hours.

The standard full-time role is 40 hours per week, over four days but we are also able to accommodate a part-time structure if that aligns better for your personal situation.

If you would like more information or you're interested in a great opportunity to grow your career, with excellent facilities while providing challenging and rewarding cases, we would love to hear from you!
